

PRODUCT DATA SHEET

Meteorite 15 Mini LED wall/ceiling

DESIGN BY:

Pio & Tito Toso
2016

MATERIALS:

Blown glass, aluminium

DESCRIPTION:

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or – we might say – democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

Light emission

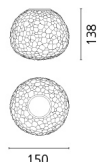

IP20 CE

TECHNICAL DATA SHEET
FEATURES

Product name:	Meteorite 15 Mini LED wall/ceiling
Article Code:	1707010A
Colour:	white
Material:	Blown glass, aluminium
Series:	Design

DIMENSIONS

Length:	cm 10
Diameter:	cm 15.2
Base Diameter:	cm 11
Glow Wire Test:	850 °

DIMENSIONS

LAMPS INCLUDED

Category:	LED
Number:	1
Watt:	8 W
Luminous Flux (lm):	285
Color temperature (K):	3000K
Class:	A

COLOUR

LUMINAIR

Watt:	8 W
Voltage:	230V
Luminous Flux (lm):	285lm
CCT:	3000K
Efficiency:	44%
Efficacy:	36lm/W
CRI:	90
